"Networking game & Treasure hunt"

02-02-2018

The BCA Department organized "Networking game & Treasure hunt" event to identify the innovative skills in our students.

- Networking Game helps students to understand the working of computer networking concepts. This activity brought out their team building, decision making and leadership skills.
- Play is essential to the healthy development of students treasure hunt game helps them discover and explore, solve problems, test new ideas and experience friendship, cooperation and teamwork. It improves IQ of students by solving puzzles & enlarges the thinking capacity of students in terms of Creativity.
