Mr. Shamanth G S, Assistant Professor, PESITM, Shivamogga, spoke on the topic 'Cyber Crime'. He explained 'what is cyber-crime and how it is defined and noted that with the advancement in technology and number of mobile users increasing, the number of crimes have also increased. Mentioning that people from all the segments of the society have been victims of fraud in one or the other manner, he then screened a video to explain the complexity of cyber-crime and challenges faced.

Sharing facts and figures related to cyber-crime, Mr. Shamanth mentioned that one cyber-crime is reported in every 12 minutes in our country, and nearly 51,000 cyber security attacks were observed in the country in the year 2016. Talking specifically about Indore, Mr. Singh noted that majority of the complaints were related to card frauds; followed by complaints regarding fake ID, and the rest related to job frauds and matrimonial site frauds and email hacking.

The guest lecture started at around 10:45 AM and ended around 12:45 PM. The lecture was received with great curiosity and interest by the students and they also

found the slides appropriate. The event came to a close with felicitation to the guests and vote of thanks.
