

**Name of the Event: Team Building Activity**

**Report of Event:** Successful teams don't happen by accident. Team building is about providing the skills, training and resources that your people need, so that they can work in harmony. But, to be truly effective, it needs to be a continual process, embedded into your team and organization's culture.

'Team Building Activity' was conducted on 27-09-2019 by Mr. Mohan D. All the M.com students actively participated. The entire class divided into various groups consisting of 4 students, during the activity each group is provided white sheet. All the members of the group sent out of the class. Each time, each member was called separately to the class room and asked to draw various parts of elephant. Finally, the picture which is drawn by each member of the group was shown to the entire class by explaining the concept of team work and importance of cooperation and coordination.

**Objectives of the activity:**

1. To provide the knowledge about team work
2. To foster awareness of the team spirit.
3. To teach the importance of individual performance for the success of team work.

**Learning outcome**

Students actively involved themselves in this activity and showed their interest towards task assigned to their group. It will motivate their minds towards the creativity, trust and time management.
