Group discussion

14-02-2019

This event has been designed with an intension of creating suitable platform for the students to express their opinions and views on various current issues. "India at 2020-Opportunities and challenges", "Kannada medium v/s English medium" and "Rural India v/s Urban India" were three different topics given to three different groups of students. Students have actively participated in the event.

Objectives of the programme

- 1. To create platform to the students to express and explore themselves
- 2. To practice students to participate in GDs

Learning outcomes

This has made students to express their views on different current issues. It was a nice exercise in its true sense.
