

PG Department of Commerce

A Guest talk on 09.02.2019 by Mr. Manoj Saldana has been organised on the topic "Tax structure in India". During his address he has explained concepts of direct and indirect tax in India. Tax structure in India is complex, GST has brought big changes in Tax system, he opined. All M.Com students and teachers have attended this programme.

Objectives of the programme

1. To provide fundamental knowledge of Tax system in India by a practitioner
2. To make students to understand practical aspects of both direct and indirect taxes in India

Learning outcome

This programme has made students to understand practical aspects of tax practices in India. It has facilitated them to have more input on GST
