

**Guest Talk**

Prof B.M. Kumaraswamy

**“Demonetization – Impact on Indian Economy”**

23-01-2017

1. The demonetization move is not new in the international level
2. It is the appropriate tool to control the parallel economy
3. It should be looked as progressive agenda rather than looking with political prejudices
4. It is too early to drawn a final conclusion about this historic step, we have to wait and watch its consequences
