A meeting of the faculty was held on 18-Jan-2021 at 4.10 pm in the principal chamber to discuss matters relating to the following Agenda:

1. Preparation of Mentors List
2. Any other with the permission of the chair

The principal welcomed the faculty for the meeting and discussed the matter relating to following issues:

- 1. Preparation of Mentors List:** The Principal after the admissions, proposed to provide mentors to the students to improve their academics, attendance and over all development. To implement this, she advised a mentor for each 24 to 30 students. The format should be prepared which comprises the names of the students and for whom these are assigned. The selection of the mentors to be carefully done based on their expertise. The mentors form to be duly filled by the students in which they infer the required information. These mentors will take care of their attendance status, their overall performance in academics and non academic areas like IA's, Sports and other co-curricular activities.

The meeting concluded with a positive note of catering the needs of the pupils through mentoring which in turn will help them in their overall development.
