Confidence is a tool that every student should have to achieve success in their lives. Students' sense should not be limited to the syllabi rather concentrating on having the effective communication skills and positive attitude is requisite in the competitive global world. Multinational Companies while selecting the candidates in the interviews concentrate more on skill set, self-confidence and efficiency of the candidate are highly sought in the companies rather than the student's marks card - delivers **Sir Shivkumar, Chief Guest** of the Orientation programme "**Parichaya – 2021**" organised on 15-11-2021 at 10:00 am for the First year BCA and B. Sc. students at PESIAMS. One more guest Operations **Sri Jayanth N., OperationManager** of Arthur J Gallagher & Co., Shivamogga mentioned today's youngsters cast of mind has changed. Earlier employment opportunities were inadequate but today job fairs are being organised in greater number. Marks card, Ranks and certificates are just documents aid to attend the interviews but communication and technical skills are important to come up with flying colours. Almost MNCs conduct the interviews in three levels where communication skills and attitude are given prior significance.

Sri Suhas S. HR, Arthur J Gallagher & Co., Shivamogga, suggested the need of knowledge acquisition and continuous refinement helps the students to compete in the rapid world. Technology is developing in the fast phase. Students shouldn't limit themselves to the syllabi and the texts rather they should be curious learners .He also added the students to be updated in the field of technology.

Principal Dr K Sailatha, mentioned the college has accredited 'A' grade from the NAAC. The primal cause of this is the infrastructure and the value based education provided by the institution. The institution holds the 32nd position in university ranking. The institutions gives
