## Report of Guest talk on

### **GST – Opportunities & Challenges in India**

A guest talk on 'GST Challenges and Opportunities' for UG and PG students of Department of Commerce and Management of the Institution had been organized on 2<sup>nd</sup> August, 2018 at 2.00 pm. The guest speaker was Mr. Steven Mudumala, Candor Business Solutions Private Limited, Bangalore. The guest speaker began his talk by introducing the term GST to the audience. He explained that the concept of goods and service tax GST is applicable on supply of goods and services and that it has replaced the existing VAT and Service Tax. He said that currently there are different VAT laws in different states, which creates problems, especially when businesses sell to different states and, as most businesses have to pay and comply with three different taxes like Excise Tax, VAT, and Service Tax.

He said that GST that has been implemented will bring uniform taxation across the country and allow full tax credit from the procurement of inputs and capital goods which can later be set off against GST output liability. He further continued that it is one of the biggest tax reforms in country and thus GST is a comprehensive tax levy on manufacture, sale and consumption of goods and services at a national level. The speaker then went on to speak about the advantages of GST like how it is a simpler tax system, how it will help reduction in prices of goods and services due to elimination of cascading, how there will be uniform prices throughout the country, transparency in taxation system and increase in employment opportunities.
