“JUST A MINUTE” (JAM)

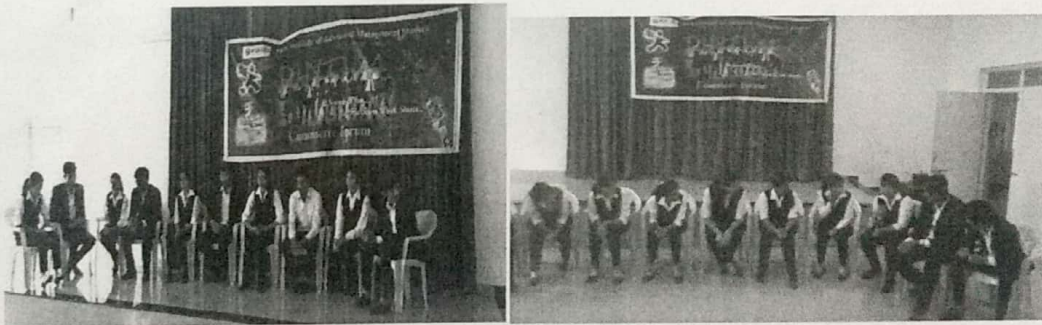

20-02-2018

Just A Minute (JAM) Competition was organized by the B.Com Department for the students of PESIAMS. It was a great learning experience for the students. It provided a platform to the students to become confident and fluent speakers. For this exciting event 36 students had participated. The topics were given on spot and each student got the opportunity to express his or her views. It was indeed a great pleasure to see how our students expressed their views on different topics.

The students were judged on the basis of knowledge about the topic, fluency, confidence and time duration (1 minute). Mrs. Lenita and Mrs. Kavitha were the judges present during the event.
