**Report on Guest talk
of
Emerging Trends in Automobile Industry**

PES Institute of Advanced Management Studies, Shivamogga has organized an informative session on “Emerging Trends in Automobile Industry” for the students of Commerce and Management on 17.02.2020. Mr. Mohan D Assistant Professor, Dept. of Commerce & Management introduced the resource person and handed over the session to him.

Mr. Santhosh Kumar, The Deputy General Manager, Bhagath Motors Bangalore started his session with an inspiring note to cherish the participation of students with enthusiasm by providing information on increasing global trade which has enabled the growth in world commercial distribution systems. It has also expanded global competition amongst the automobile manufacturers. He addressed the gathering with his views on globalization in automobile industry and facing the current challenging issues. These issues can be carefully crafted with strategies which may not be same across the globe where we face the difficulty of coordinating and managing far-flung operations, threat of political or social upheaval and complicated and tough competitors. He has noted that, competition with industries is more intense where the firms are relatively equal in size, resources, products, services are standardized.

He also provided information on how the organizations increase its global presence by expanding global alliances and seeking greater collaboration with other automakers, forecasting organizations growth in the next coming years. With the advancement of technologies like Artificial Intelligence (AI), Robotics, and Internet of Things (IoT), the automobile industry has made some significant leaps towards growth and development, he added. Mr. Mohan D, Assistant Professor, Dept. of Commerce & Management proposed vote of thanks with a concluding note.
