**Report of Guest Lecture  
 On**

**“Challenges of Finance in the Current Business Scenario”**

The Departments of M.com, B.com and BBA jointly organized a Guest lecture on the topic “Challenges of Finance in the Current Business Scenario” on 16<sup>th</sup> September 2019, at Seminar Hall. The Guest Speaker was Mr. Mallikarjunappa Angadi, Vishnu Techsoft Pvt. Ltd., Bangalore

The Resource Person while addressing the students segregated his lecture into 3 parts viz., Current Business Scenario & Its Implications; Role of Finance; and, Type of Talent / Skill set required. The Resource Person rightly said that we are living in a VUCA World where change is inevitable, competition is cut-throat and investor activism is on a high. Finance today cannot work in isolation, but is interrelated to all departments of an organization and should help in the fulfillment of Triple Bottom Line approach, i.e., Economic, Social and Environmental perspectives.

The Guest Speaker iterated more on the fact that the role of a finance manager needs to be forward looking, strategic and investor centric. It is no more about collecting, paying and reporting, but about delivering faster, more accurate, more insightful analysis & reporting while managing risk and reducing cost.

The session was very informative and the resource person cited a lot of day to day examples and illustrations to which the audience could easily understand and the guest speaker later responded to the queries put across by the students at the end of the session.
