Emerging Trends in Automobile Industry**

PES Institute of Advanced Management Studies, Shivamogga has organized an informative session on "Emerging Trends in Automobile Industry" for the students of Commerce and Management on 17.02.2020. Mr. Mohan D Assistant Professor, Dept. of Commerce & Management introduced the resource person and handed over the session to him.

Mr. Santhosh Kumar, The Deputy General Manager, Bhagath Motors Bangalore started his session with an inspiring note to cherish the participation of students with enthusiasm by providing information on increasing global trade which has enabled the growth in world commercial distribution systems. It has also expanded global competition amongst the automobile manufacturers. He addressed the gathering with his views on globalization in automobile industry and facing the current challenging issues. These issues can be carefully crafted with strategies which may not be same across the globe where we face the difficulty of coordinating and managing far-flung operations, threat of political or social upheaval and complicated and tough competitors. He has noted that, competition with industries is more intense where the firms are relatively equal in size, resources, products, services are standardized.

Employability Skills in Banking and Insurance Sector

A guest talk on 'Employability Skills in Banking and Insurance Sector' was held for all the final year students of Commerce and Management Department of the institution on 20.02.2020 at 11.00 am. The guest speaker was Ms. Hema of Candor Business Solutions Private Limited, Bangalore.

In the finance and banking sectors you'll be working with both highly qualified professionals and also people with limited specialized financial knowledge and hence you need good written and verbal communication skills. The resource person advised the students that recruiters will be looking for evidence that their written and oral communication is well structured, accurate and clear and they usually assess this through one's application form answers, how they go about answering interview questions, and group work and presentations at assessment centers. Then the speaker went on to explain the next important element which is problem solving which can be demonstrated at interview in the way an individual takes personal responsibility for addressing situation.

The students interacted with the guest speaker and raised many questions which were answered patiently by speaker. The session came to an end with felicitation by the principal to the guest and vote of thanks rendered by Ms. Vaishali G.B a final year student.

GST – Opportunities & Challenges in India

A guest talk on 'GST Challenges and Opportunities' for UG and PG students of Department of Commerce and Management of the Institution had been organized on 2nd August, 2018 at 2.00 pm. The guest speaker was Mr. Steven Mudumala, Candor Business Solutions Private Limited, Bangalore. The guest speaker began his talk by introducing the term GST to the audience. He explained that the concept of goods and service tax GST is applicable on supply of goods and services and that it has replaced the existing VAT and Service Tax. He said that currently there are different VAT laws in different states, which creates problems, especially when businesses sell to different states and, as most businesses have to pay and comply with three different taxes like Excise Tax, VAT, and Service Tax.

He said that GST that has been implemented will bring uniform taxation across the country and allow full tax credit from the procurement of inputs and capital goods which can later be set off against GST output liability. He further continued that it is one of the biggest tax reforms in country and thus GST is a comprehensive tax levy on manufacture, sale and consumption of goods and services at a national level. The speaker then went on to speak about the advantages of GST like how it is a simpler tax system, how it will help reduction in prices of goods and services due to elimination of cascading, how there will be uniform prices throughout the country, transparency in taxation system and increase in employment opportunities.

He suggested students to utilize their skills and made them realize how energetic and capable of creating action plans to touch newer heights and keeping themselves by channelizing them in a right path to become an industrialist or entrepreneur.

Principal

Guest Talk

“Career opportunities for company secretaries”

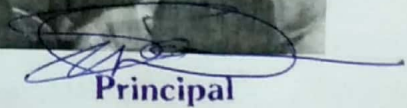

11-08-2017

A Guest talk had been organized by the RHYTHM Forum of the college on the topic Career opportunities for company secretaries on 11-08-2017.

Guest talk by **Vasanth Kumar**, Chairman of the ICSI-Bengaluru Chapter and Mr. Karthik S.N member of Institute of Company Secretaries of India spoke on the occasion. Mr. Karthik S.N is currently associated as a partner of KJKS and Associates LLP, Practicing Company Secretaries.

They opined that due to globalization and increase in the number of multinational companies, there is great demand for full time company secretaries in India. But there less number of qualified company secretaries and the gap between supply and demand is huge. They advised the students to deviate from the normal path of Doctors, Engineers and Lawyers and focus on less trodden path of company secretaries. They also created awareness to students regarding the curriculum, syllabus and examination of company secretaries.

Employability, Enterprise skills and Career Opportunities in Sales and Marketing

Graduates with strong enterprise skills can spot an opportunity and use their initiative and a proactive approach to make the most of it. Graduates require entrepreneurial skills and huge knowledge of career opportunities and employability to become an entrepreneur and set up their own business. But employers often seek an entrepreneurial mindset in their employees. When addressing to the students of Commerce and Management Department on 05.07.2016, Shri. Krishnappa B.P, Founder and Director, Ficom Engineering Pvt. Ltd. said, Employability skills are the essential skills, personal qualities and values that enable you to thrive in any working environment and these are also called as 'enterprise skills', 'communication skills' or 'workplace skills' which helps you in boosting your employability skills. He gave valuable inputs to students for developing good communication skills, leadership qualities, enhancing reliability, improving team work quality, building patience and adaptability, skills such as emotional control and resilience. He suggested students to utilize these skills in developing career profile which provides huge value in identifying their skills when seeking job as a best candidate.

The informative session was started with the prayer song by the final year BBA students and inaugurated by lighting the lamp by all the dignitaries on the dais with few students in the seminar hall. At the end of the program, Mr. Praveen B, Asst. Professor, Dept. of Commerce and Management provided an honor of gratitude for the inspiring session and showered with vote of thanks from institution for providing valuable informative session. The Principal and staff members were present during the program.
