Anti-Sexual Harassment Committee Meeting held on 5th September, 2018

Members Present:

1. Dr. K. Sailatha - Chairperson of the committee
2. Mrs. Roopa D. S - Representative of Women - Teaching
3. Mrs. Kavitha VP - Representative of Women - Teaching
4. Mrs. Abhinavi E.M - Representative of Women - Teaching

An Anti-Sexual Harassment Committee Meeting was held on 05-09-2018 at 10:30 am in the principal's chamber to address the issue relating to a written complaint filed by a girl student of I year BBA against Abdul Sattar, Syed Touqif, Sumath S Jain and Faraz Anwar of her class who had been harassing her by sitting behind the bench where she had been sitting. Though there is a prohibition for the boys to be seated behind the girls, they somehow managed to hoodwink and they harassed her by laughing, making strange noises and calling out nicknames of her. When the matter became intolerable she was forced to give the written complaint. She further orally added the names of Mohammed Arafat, Mohammed Ibrahim and Mohammed Kay also to be her tormentors.

The proceedings of the meeting is as follows:

1. The principal welcomed the members of the committee and apprised them regarding the alleged complaint received by the committee.

2. All the above said boys students were made to appear before the anti sexual harassment committee and they were informed about the contents of the complaint against them and demanded their explanation.

3. Though initially they did not accept the allegations against them after thorough discussions about the matters they finally accepted their mistake and felt sorry about the incident and their misbehaviour against their classmate. They apologized for their unruly behaviour before the committee and they were instructed by the chairman to submit their written apology and each of them submitted a written apology that they would not repeat it and felt sorry for their mistake and further that in case, if any such complaint were received by the committee in future, then they would abide by any disciplinary action against them by the committee including their suspension and giving them their transfer certificate.

4. Thus the issue was settled amicably.

Anti-Sexual Harassment Committee Meeting held on 05th October, 2018.

Members Present:

1. Dr. K. Srilatha - Chairperson
2. Mrs. Roopa D.S - Representative of women-teaching
3. Mrs. Kavitha U.P - Representative of women-teaching
4. Mrs. Ahwini E.M - Representative of women-teaching

A meeting of the Anti-Sexual Harassment was held on 5-10-2018 at the principal's chamber with regarding to a written complaint received by the principal from first year BCA girls students that while they were inside their classroom, some boys standing in the corridor near the water cooler on the first floor, threw chalk pieces at them and that on 28th of September and that further, that they pushed some boys inside their classrooms and closed the door. They had stated that this happened between 3.05 p.m to 3.20 p.m.

There was one more complaint by one of the girl students that while she was walking on the corridor or climbing steps some boys had been teasing her. When the girls were summoned by the principal they said that they were not aware of the names of those boys who had misbehaved with them, but they identified the culprits when they were shown admission records.

Based upon the identification and the CCTV footage the following students were

made to appear before the committee

Dhanush Sagar } @ Semester B.com
Syed Jashan }

Akhilesh } @ Semester BBA
Dhananjaya }
Pragnal Raj }

Venkatesh } @ Semester B.com
Sagar }
Sagardeep }
Manoj }
Mallikarjun }
Mohammed Asif }

On questioning about the chalkpiece throwing incident, Akhilesh, Syed Jashan and Dhanush Sagar said that they were not involved in throwing chalk piece at girls. But Akhilesh submitted that he had gone inside the BCA 1 year class at that time to get a pen for his friend. Further Syed Jashan and Dhanush Sagar accepted that they were standing in the corridor at that time, but they did not throw the chalkpieces at the girls. They admitted that they were playing with one another using chalkpieces on the corridor but they said that they were not involved in throwing chalkpieces at BCA 1 year girls. They also submitted individual letters to that effect. Akhilesh also gave his letter to the committee that he was not involved in chalkpiece throwing incident.

Dhananjay and Mohammed Aji also denied their involvement and submitted letters to that effect. Prajwal Raj was identified by all the 1 year BCA students and he was also seen in the CCTV footage. He was asked to appear before the committee along with his parents.

Based upon the complaint of one of the 1 BCA students, Sagar, Sagardeep, Mallikarjun, Venkatesh, Manoj and Mohammed Aji were summoned and questioned by the committee.

While Aji completely denied the incident, Manoj and Sagar though at first denying the incident in the beginning, later accepted that they just called her Samui Joseph (the name of the character in a movie) while she was walking on the corridors that too only once. They said that it was only for some fun. They confided that they did it not to tease her but only because she had close resemblance with that of the said actor. Others involved in the complaint were questioned. According to the complainant these students teased her and called out the name of their friend Mohammed Aji aloud while she walked on the corridors. While the said boys were questioned, Mallikarjun said that he did not remember the incident and Manoj replied that he was not in the college during the alleged incident. Sagar too denied the incident. Sagar too said that he roamed about in the corridor for a while and later went inside the class. Venkatesh too said that he was with Sagardeep during the alleged incident.

and Sagari said that he could not recollect the incident. But from the CCTV footage, they were found to be the culprits. All the above said students were instructed to bring their parents to the college.

Dhanush Sagari, Syed Saahar and Dhananjay brought their parents and the matter was brought to the notice of their parents who assured the principal that these sort of incidents would not be repeated by their wards in future and they would take care about it and advise their wards accordingly. Based upon the apology letter and assurance given by their parents, the students were let off with proper advice and warning by the committee.

Rajniel Raj and Vekatesh also brought their parents. Their parents were also apprised of the mischiefs committed by their wards. They were instructed to submit an undertaking that they would not repeat such mistakes in future and if it was brought to the notice of the committee or any of the faculty for that matter that they indulge in any such activity, they would be sent away from the college with their Transfer Certificate. Apart from giving the undertaking they also agreed to apologise before the 1 year BCA girl students for their misdeed.

The other boys who were also involved in the incident brought their parents after dodging the matter for some time. The parents were informed about the incident.

and upon the assurance from the parents that such mischievous acts would not be repeated by their records, all the boys were let off after taking an undertaking from wards and parents. if they were to indulge in any undesirable activity at anytime in future, they would be liable to be suspended from College and given their P.C.

The enquiry involving the above said boy students came to a close after obtaining apology letters, undertakings from them in the case of 2 complaints received from P BCP students.

Anti-Ragging Committee Meeting held on
25th August, 2018.

Members Present:

- 3) Mrs. Roopa D.S. - Member

- 5) Mr. Daashan P.R. - Member
- 6) Mr. Mithun D'Souza - Member

An Anti-Ragging Committee meeting was held on 25/08/2018 at 3:00 pm in the Principal's chamber to address the issue relating to a written complaint filed by Ms. Srushiti H.A. of 1st year BCA against Mr. Swamy M.S. of first year BCA against Mr. S and also because of the reason that Mr. S.R. Langanath, the Supervisor of Prasanna Convention Hall came with the P.D. card of Swamy to the Principal with the information that there was a fight going on between Suhag of II year BBA, Akhilesh of II BBA and Kumar of II year B.Com on the one hand and Swamy, Yashas and Vardhan of I year BBA on the other hand and Swamy was acting very violently. The Supervisor intervened in the quarrel and separated them. The proceedings of the meeting is as follows:

1. The principal welcomed the members of the committee and apprised them regarding the alleged incident and the complaint received by the committee.

2. The complainant Ms. Srushti H.A appeared before the committee. The principal and the Chairperson of the committee asked Ms. Srushti to narrate the incident relating to the complaint. She informed the committee that she was being mocked by Mr. Sisamy for wearing her spectacles and that while she was walking on the corridor she was teased by him which hurt her and embarrassed her. Therefore she informed this incident to Mr. Subas of II year BBA who is her distant relative who in turn approached Mr. Sisamy and advised him to not tease Ms. Srushti.

3. The committee after hearing the complaint called Mr. Sisamy to appear before the committee and narrate his reply to the allegations made against him.

4. There was one complaint by Mr. Subas who informed the committee that Mr. Sisamy in turn had brought an outsider who came to the college and roughened him up by poking his nose into the incident.

5. After going through all the complaints, the anti-ragging committee heard all the three persons involved in the incident separately and after thorough enquiry, the committee asked Mr. Sisamy to give his explanation. Mr. Sisamy finally accepted that he had passed some remarks against his classmate Ms. Srushti which was in lighter vein and

if she was hurt by his words, he would not repeat it.

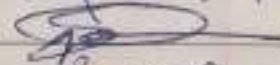

6. The committee members advised him not to indulge in such activities against any girl student here in after as it would amount to harassment which is an offence against women, attracting severe punishment. The chairperson demanded an apology and that he would not repeat it in future and would not bring any outsiders to the college. Similarly Mr. Subas was also advised not to take 'law' into his own hands.

7. Finally all the three students were made to appear before the committee together and they apologized to one another and the matter was settled amicably.

Respected Madam,

Subject :- Leave application for accident

With great respect, has been stated that I met a sad accident on December, My motor bike slipped and accident causing severe injuries to my face, leg and hand. I had been treated in hospital for two weeks and I had gone through hand surgery where the doctor had advised me to take complete bed rest until my hand surgery would get recovered. So I had not been able to attend the class for rest of those days. So I had took one month leave to get recovered from the injuries.

Thank you,

Yours sincerely
