Sir,

Subject: Annual Maintenance contract of (LIBSOFT) library software and up gradation of the software from 10.00 version to 12.00 version

In relation to the above subject, I would like to write that we have to pay the Annual maintenance Contract fees of Library software (LIBSOFT). (Fee is Rs. 10,000/-)

Also we are using 10.00 version of the software. Currently new version of the software with useful up gradation is available (12.00 version). Many of the features up graded are very much essential in day to day library activities (up gradation features enclosed).

The cost of the up gradation quoted initially was Rs. 50,000/- . After hard negotiation and request the cost has been reduced to Rs. 20,000 + taxes which includes AMC charges also.

*Vendor m/s Environ software Pvt. L has accepted*

Kindly sanction Rs. 23,600/- and kind orders for placing order for software up gradation.
