## JAAGRUTHI

One of the best parts in a students' life is hostel life. A hostel is a place where students live in a shared accommodation under supervised administration. The general objective of any hostel is to provide a healthy and safe environment for the students staying away from home. Though every student is expected to confine themselves to the set of rules and regulations of the hostel, they eventually learn to take independent decisions pertaining to their lives.

Hostel life can be a very pleasant journey. Studying and living together develops a great sense of oneness among the students and grows a spirit of cooperation and fellow-feeling among them. Hostel life teaches students a lot of other things like teamwork, helping roommates, a sense of unity, adjustment etc. These develop a sense of responsibility, culture and refinement. Hostel life is full of fun, amusement and youthfulness.

In a hostel a student tends to acquire many good qualities from roommates and other hostellers and at the same time, they are also vulnerable to the bad influence of the others. If there are advantages there are few disadvantages as well. Some of them may include – a sense of loneliness, ragging by seniors, influence of bad company, difficult to concentrate on studies, less comfortable living conditions, digestive problems with routine food, wasting time in fun, enjoyment and merry-making, late night sleeping patterns etc. The unlimited freedom proves harmful for such students.

Sometimes, they fail to choose good companions. And hence, JAAGRUTHI.

Counseling Cell, PES Trust, Shivamogga takes pride in bringing up the new Awareness Campaign Series – JAAGRUTHI, for all hostellers of PES Group of Institutions. JAAGRUTHI- one of its kind initiatives at PES aims to address the issues and concerns pertaining to overall wellbeing of the female students at the hostels. The Campaign emphasizes the importance of adopting healthy habits to maintain both physical and mental well-being of the students. The Campaign addresses the issues right from basic health and hygiene to building healthy lifestyle.

JAAGRUTHI 2020 is specially crafted with activities & fun games, for girl hostellers on different themes and concepts throughout the year for a HAPPY HOSTELLING!!

# Youth Day Celebration at PESIAMS

Date :11-01-2020

“Women are the true educators who can spread the knowledge that she has gained to quell the darkness around her”, said Dr. K Sailatha, Principal PES Institute of Advanced Management Studies and chair-person of sexual harassment cell of the college, at a programme organized jointly by the cell and the NSS unit. While addressing the girl students at the event organized on the eve of Swami Vivekananda Jayanthi celebrated as youth day, she stressed on Swamy Vivekanand’s perspective on women’s education that educating the women first and leaving them to themselves would help them to identify the reforms that are necessary for them. Quoting the words of Swami Vivekananda in her speech regarding the capacity of women, she said that 500 males can win India in 50 years which can be done with a few weeks by 500 women and how important it is for women to be treated on par with men, as what lies within everybody is soul which has no sex; it is neither male nor female and it exists on in the body. She inspired the students with the words of Vivekananda that there is no hope of rise for the country where there is no respect for women as it is not possible for a bird to fly on one wing.

Ms.Priya Shivamogga, Karnataka State Coordinator of Sodari Nivedita Pratishtan, who was a guest speaker on the occasion, educated the audience as how Vivekananda could within a short span of life lasting only for 39 years could inspire and win the hearts of millions of people around the world. In her mesmerizing speech, she described Vivekananda as a towering personality having the mind and concentration of Adishankara and the heart of Buddha. Quoting his Chicago address through which he could make India and Hinduism known worldwide, she explained the significance of 'Vivekananda Rock' at Kanyakumari where he meditated continuously for 3 days. Continuing her address, she created awareness among the girls about one more towering personality sister Nivedita who was a close associate and disciple of Vivekananda. She briefed the audience about her life and how Nivedita born as Margaret Elizabeth Noble, an Irish teacher,

greatly inspired by Swami Vivekananda and who wished to learn the culture of India, came down to India and contributed towards the education of women in the light of their own civilizational value and how she devoted her life for their welfare and how she identified herself with India to such an extent that she used to do Jata of Bharath Mata and was during enough to make her school students sing Vande Mataram and how rightly she was called a Lioness' by her guru.

Smt. Vidya Raghavendra, District coordinator of Nivedita Pratishtan enlightened the audience of the various social welfare activities undertaken by its members in Shimogga and invited the students to join hands in its activities for the upliftment of the underprivileged and the down trodden.

Mrs.Sharada, Coordinator of Sexual Harassment Redressal Cell and Mr. Satish, Coordinator of NSS unit were also present on the stage. The programme was well attended by the faculty, staff and girl students of the college. It began with a prayer song sung by Ms.Sailakshmi, welcome address made by Ms.Priyanka, vote of thanks by Dhamini & Ms.Shrusti anchored the programme.

"Dr. Shubratha explained us the importance of maintaining good personal hygiene. She emphasized on basic cleanliness of our hair, hands, foot, teeth and body, which needs to be practiced everyday. Students realized that keeping oneself clean can lead to have a better personality, good health and create a nice image of an individual in a society. I would like to thank the Management for organizing such an exclusive event for girl students. Looking forward for many more such sessions"

*Rosy Sequeira | Academic Coordinator |  
PESPS*

*"This session helped the students to realize what changes to be made in their daily habits to improve their personal hygiene and cleanliness. It was also informative to teachers on how to guide the students during early stages of menstrual cycles. Wish to be a part of similar programs in the future as well!"*

## Report on Guest Talk by Dr. Rohini A.R on “Women’s Safety and Empowerment”

A guest talk on “Women’s Safety and Empowerment” was organized by the **Sexual Harassment Redressal Cell on 27-09-2018** by PESIAMS College, Shivamogga, exclusively for the girl students. **Dr. Rohini A.R, Associate professor, of CBR National College of Law**, was the resource person.

The programme began with an invocation song by Ms. Sailakshmi of I Sem B.Com. Dr. K Sailatha, Principal of PESIAMS welcomed the gathering and introduced the chief guests.

In her speech remembering the words of Malala, **Dr. Rohini A.R**, said that it is more advisable for a woman to engage herself in self-defense rather than depending on mere law and enactments to safe-guard her. She further stated that a country's real development is based on the extent of equality and status provided to the women in their society and she also pointed out that not only in India but also in the entire world women face harassment and discrimination. With the steep increase in crimes committed against women, it becomes all the more necessary for women to become physically and mentally strong and fight against the discrimination imposed against them in the male dominated society. Women must learn to be affirmative, self reliant, independent and take bold decisions. She opined that being alert, learning martial arts, developing good communication skills and life skills play an important role in protecting her from any harassment.

Arunadevi S.Y, Trustee of PES Trust** in her **presidential address** said that higher education and financial independence alone would consolidate her position in the society and provide her a secure feeling. But she felt that this change would take a number of years and cannot be achieved in a short span of time.

Smt. G Sharada, Assistant professor and coordinator of **Sexual Harassment Redressal Cell** rendered vote of thanks and the programme was anchored by Smt. Lenita Quadros.

Attending number of students 205 and 15 faculty.

## Report on International women's day celebration

On the occasion of International women's day held on 08-03-2017, Dr. Vani Kori reputed gynecologist and President of IMA, Shivamogga was invited as the Chief guest for the function organized jointly by the PES trust, Mythri Educational Trust and Jan shikshana sansthan. The Chief guest addressed the audience regarding the need for change within oneself. She explaining about the importance and relevance of the theme of this year's International women's day which is' Be Bold for change' highlighted the need for change in one's attitude, habits, thought process and the way we look at things. She motivated the audience that women should change the way in which they think and should become independent, strong and healthy physically and mentally. She further stressed on the importance of women becoming financially independent and should spend sometime for herself and for her well- being. She condemned the women who usually say that they don't find time at all. The chief guest also explained the importance of prioritising our duties and caring for ourselves. Smt. Uma Devi, Member, Advisory council of PES Trust who also spoke on the occasion opined that if women had been treated on par with men in the society and had not been discriminated against, then there would be no necessity for such special occasions and celebrations.

Hemoglobin and Blood Group Checkup for Girls Students-20 February 2015

It has become fashionable for girls to remain slim and maintain a zero size figure. As a result of this, they consume less food and added to this the increase in consumption of junk food has once again created negative impact on girls. This in turn has created health issues for girls In the form of low HB level, anemia, nutritional deficiency, lack of sleep, lack of appetite, lack of concentration etc., Therefore a blood checkup for girl students and women faculty was organized on 20 February 2015 under sexual harassment redressal cell. Doctors from Maccgan Hospital visited the college to check-up the Students.
