

A meeting of subcommittee was convened on 08.01.2024 at 03:00pm as the mail communication dated 28/12/2023. The primary focus of the meeting was to deliberate on Outcome-based education and its effective execution within our institution.

The meeting commenced with a cordial welcome from the POAE Coordinator.

The POAE Coordinator provided a comprehensive overview of OBE highlighting its significance and relevance in contemporary educational paradigms.

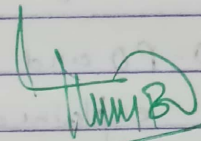

Discussion points:-

- * In-depth exploration of the contrasts between traditional educational policies and the innovative approach of OBE.
- * Deliberations on aligning OBE principles with the broader vision and mission of the institution and specific departments.
- * Detailed discussion on defining PO/PSO/PEOs/CO and process of mapping.
- * Examination of the existing techniques employed in our institute to assess the attainment of POs & COs.

* Direct and indirect attainment tools have been explored and discussed.
