

AIKYAM- 2022

HIGHLIGHTS

- *3 Day Hacker rank coding boot camp*
- *MOU between PESITM and HAIGEL TECHNOLOGIES*
- *5 days workshop on advanced data structures & algorithm using Java*
- *Kite competition*
- *Lazy dance*
- *Industrial visit to shimoga smart city*
- *Python Mini Project Exhibition*
- *Cyber Security Webinar*
- *Ethnic Day*
- *Placement Statistics*

VISION

To be a leader in providing education with skilled technical knowledge imbining professional ethics to the students in the field of Computer Science and Engineering

MISSION

Imparting quality education to students by ensuring a learning environment through qualified faculty and good infrastructure. Empower students to attain strong technical and ethical skills for a successful career in industry, academics, research and entrepreneurship through active engagement with all the stakeholders.

HOD MESSAGE

I welcome all the students to the Department of Computer Science and Engineering. Computer Science and Engineering is the essence of today's world. We are committed to provide not only the technical education to our students but also the leadership qualities through which they can create employment to others. PESITM is growing and is establishing its legacy as academic excellence. The sole vision of the department is to produce good engineers with human values and Indian ethos. We always focus on the holistic development of the students by a combination of both curricular and extracurricular activities. We believe that to develop a tender mind, we need to go beyond classroom teaching and we believe to make our students' industry ready. The excellent infrastructure, teaching faculty of the best kind of the Department ensure quality education and a bright future to our students. The Department of CSE is striving hard towards the goal of providing innovative and quality education with high standard to achieve academic excellence and provides a platform for the students to achieve their career goals.

Dr. Arjun U

Vibrant CS&E Department

PESITM, SHIVAMOGGA

Computer Science & Engineering department imparts high quality technical education to its students with the help of its state of the art computing facilities and highly qualified teaching and supporting staff. It keeps pace with the latest technological developments and thus helps students stand in good stead in their professional life.

P S O s

PSO1: Interpret the fundamental concepts and methodologies of computer science

PSO2: Apply the mathematical concepts to crack problems using suitable mathematical analysis, data structures and algorithms.

PSO3: Develop ability to grasp the software development lifecycle and methodologies of software systems. Possess competent skills and knowledge of software design process. Familiarity and practical proficiency with a broad area of programming concepts and provide new ideas and innovations towards research.

Miss. Yashwi J Rai
5th Sem

Three days Online HackerRank Coding Bootcamp

The three days Online HackerRank Coding Bootcamp was organized for final year students.

This bootcamp will help students to solve problems like a pro, so when it comes time for interview there won't be anything they can throw that'll surprise or confuse. Student'll know exactly what they're asking from the start because this Bootcamp covers cracking coding round easy.

HackerRank is extremely useful for job applicants because it prepares you for the type of questions you will be asked during the technical stages of your interview.

Thanks to management and principal for their continuous support.

CONGRATULATIONS

Winner in national level essay competition Got an opportunity to attend the PM at Home Function on 25th January and Republic Day Parade on 26th January and rewarded with a cash prize of Rs.5000/-

Five days Hands-On Workshop on
Advanced Data Structures & Algorithms using Java

10-14 November 2022

Hybrid Mode

Our Trainers:
Mr. Suचेन्द्र R
Lead Software Engineer, V
Mrs. Bhavyashree P
Developer, SAP Labs Ind
Bangalore, India
Mr. Sandesh H.S.
Senior Consultant @EY

Registration Fee : 300 Rs/-
Venue : CSE Seminar Hall
Who can attend:
Semester Students of BE- CSE & ISE

Faculty Coordinators
Dr. Arjun U. Dr. Chaitanya Kum
Assistant Professor, CSE Dept. Head of the Department Principal, PESI

CONGRATULATIONS

Chethana C Viraktamath

Won third prize in mime competition
at VTU FEST -2022

MOU between PESITM and SOLUNYA TECHNOLOGIES

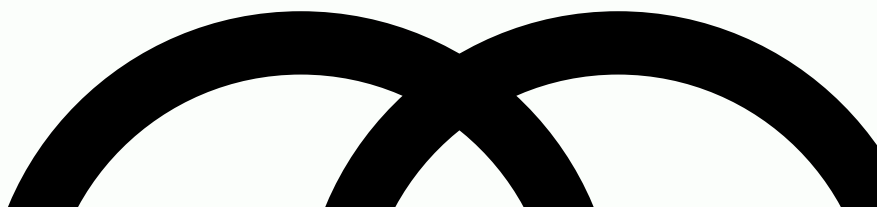

MoU had been signed between PES Institute of Technology and Management and SOLUNYA TECHNOLOGIES PVT LTD to improve the industry- institute interaction and to enhance the practical knowledge of students.

FORUM INAUGURATION

AIKYAM

Department of Computer Science and Engineering inaugurated department FORUM named AIKYAM on 30th November, 2022.

KITE COMPETITION

Department of Computer Science and Engineering had organized Kite Competition on 09/11/2022 at PESITM Football Stadium.

LAZY DANCE

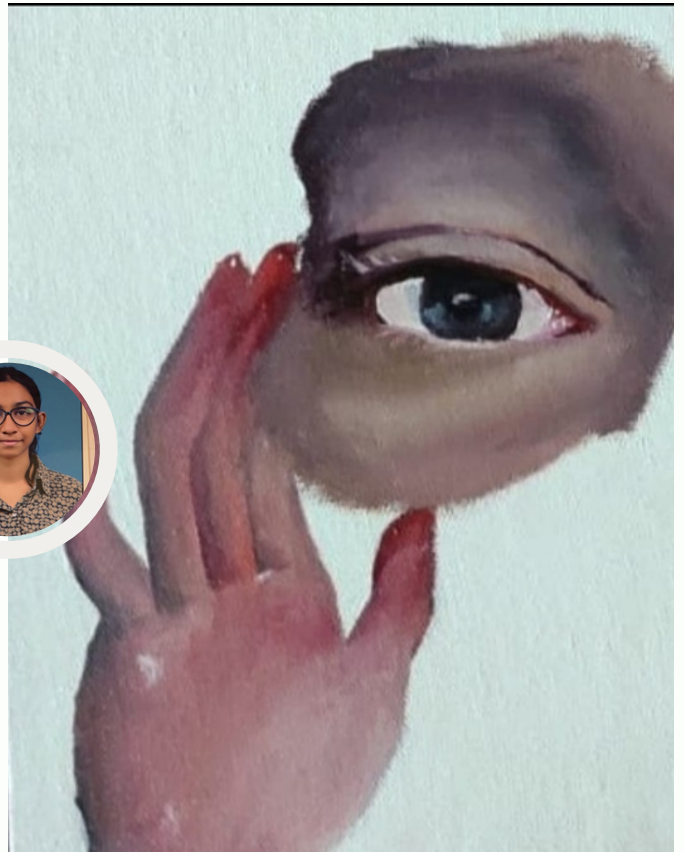

Department of Computer Science and Engineering had organized Lazy Dance Competition on 30/11/2022 at PESITM Football Stadium.

CONGRATULATIONS

Sanjana, 5th Sem

Won Silver Medal at VTU Power Lifting Competition held at VVCE Mysore.

PYTHON MINI PROJECT EXHIBITION

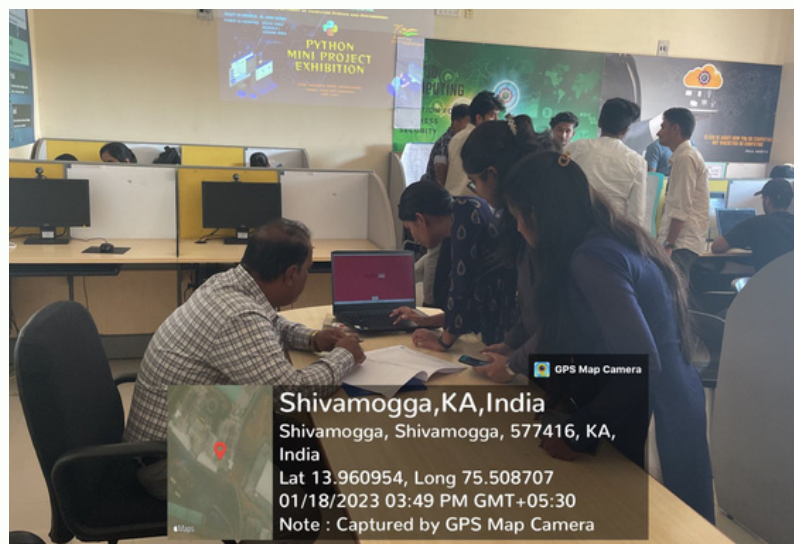

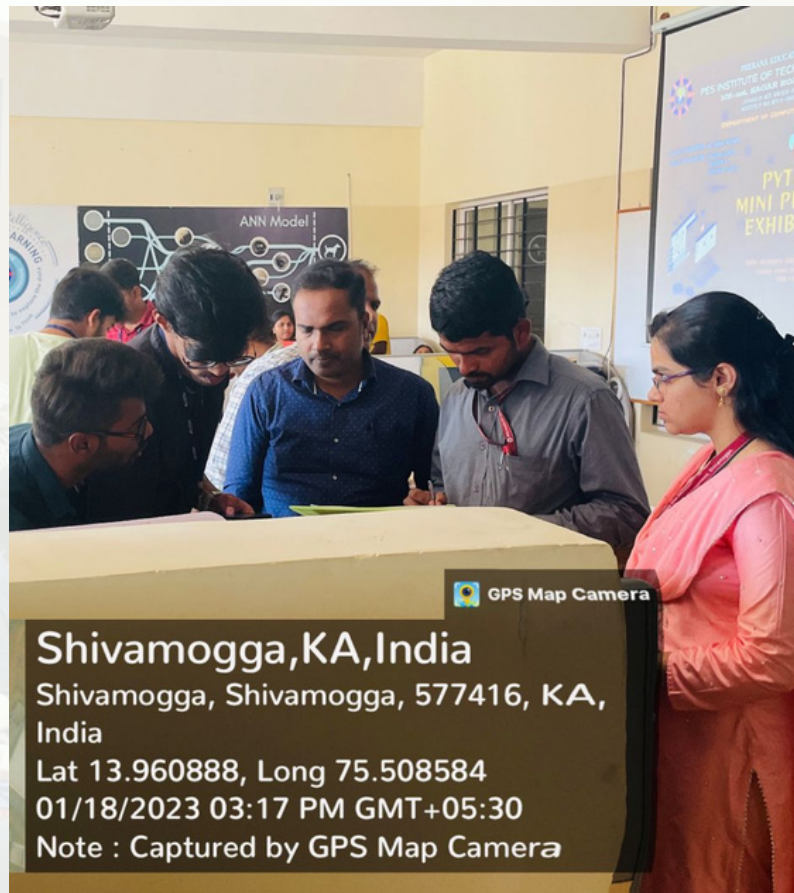

Department of Computer Science & Engineering, PESITM conducted a Python Mini Project Exhibition for 5th Semester Students on 18/01/2023 in CS&E labs.

The students had to exhibit their technical skills as well as presentation skills wherein they were given an opportunity to demonstrate their work(project model) with the help of charts or posters.

The main agenda behind the competition was to explore the technical skills among the students and give more exposure towards technical knowledge which is much required to build their career.

Dr. Chaitanya Kumar M.V, Principal, Dr, Arjun U , HOD-CS&E, Dr. Pramod, Dr. Vishnu, Mr. Madesha M and CS&E faculties graced the event.

CYBER SECURITY WEBINAR

A virtual power seminar on Cyber Security was arranged in the Department of CS&E on 16/12/2022, at 2.30 PM in seminar hall in collaboration with ICT academy. Mr. Dilip Muralidharan, Senior Staff Instructor at Splunk, Chennai, Tamil Nadu, India gave insight on cyber security, its importance and significance in day to day life.

In his two hours packed talk he fully explained about how security of domestic appliances and individual's smart phones can be prevented from security threat.

Further he elaborated on how one can have preventive measures to secure their data in digital devices. He also gave demo on live examples. The session was very interactive and students were participated with full zeal.

ETHNIC DAY

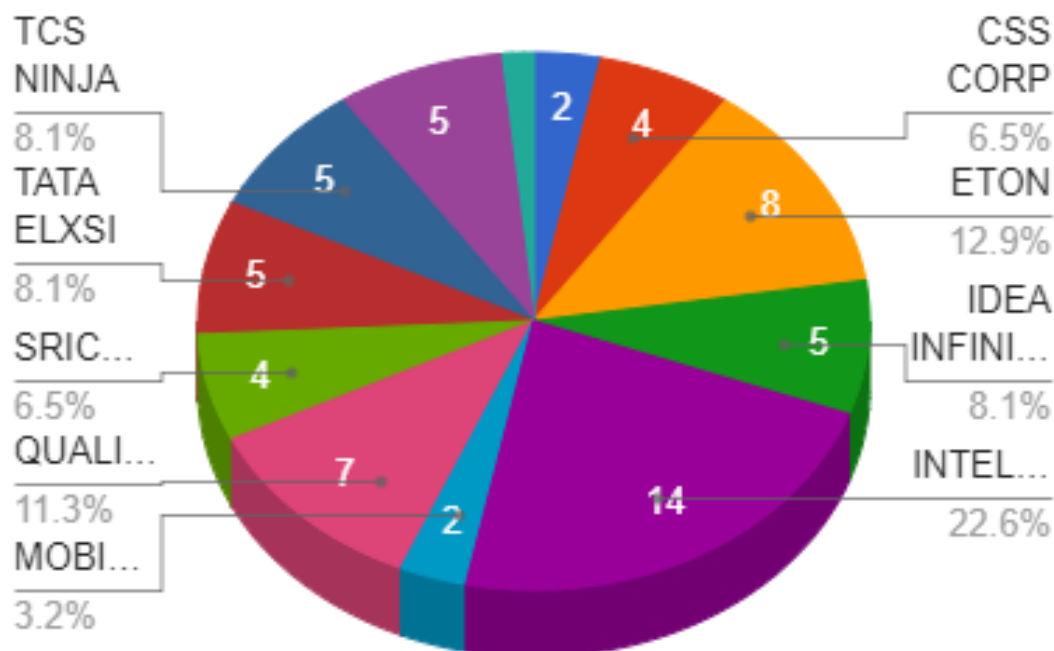

***Ethnic Day was
organized on 3/12/2022
at PESITM Campus***
