### DEPARTMENT OF CIVIL ENGINEERING

Volume 4 | Issue 1 | August 2021 - January 2022

Dr. M. R. Doreswamy  
Chairman - Governing Council

Sri. B. Y. Raghavendra  
Managing Trustee - PES Trust

## About the Department

Established in the year 2013, Department of Civil Engineering has qualified and experienced faculties from academic and industrial background. The Department has state of art laboratory and computing facilities and strives for imparting knowledge and skill through academic excellence and organising developmental activities for students and staff.

NBA Expert Committee Visit on 23/10/2021

## Infrastructure

- ICT Enabled Class Rooms
- State of art Laboratories
- Central & Department Library
- Digital Library
- Seminar Hall and Auditorium
- Indoor & Outdoor Sporting

## Activities

- EDUSAT Programs
- Industry - Institute Interactions
- Trainings for Skill Development
- Student Development Programs

## Mile Stones

- Accredited by National Board of Accreditation for 3 Years
- Accredited by National Assessment & Accrediation committee with B++ grade

### Student Participations

As a part of Intra-Department activities, Pick & Speak, Quiz and Singing events were organized on 03/12/2021 for 3rd, 5th and 7th Semester Civil Engineering Students. Students actively participated in the event and following in the list of best performers / winners in the competition

1. Pick & Speak Winners - Likith Kumar of 3rd Semester
2. Pick & Speak First Runner - Kavana G. R. of 7th Semester
3. Quiz Competition Winners - Vinay Kumar N. & Charan S. P. of 3rd Semester
4. Quiz Competition First Runner - Kavana G. R. & Priyanka A. H. of 7th Semester
5. Singing Winners - Basavaraj B. T. & Shreyas Suchigal of 5th Semester
6. Singing Runner - Srujan T. L. of 3rd Semester

Eight students of Civil Engineering Department participated in Cultural Activities during NAAC visit to the institution for the accreditation process on 18/11/2021. The Cultural events were appreciated by the peer committee members for its spectacle.

### TOP PERFORMERS OF ODD SEMESTER 2021-22

#### 7<sup>th</sup> Semester

Mohammed Saqlain Khan  
84.75 %

C Kavya  
84.37 %

Parameshwar  
82.5 %

#### 5<sup>th</sup> Semester

Abhilash K U  
84.22 %

Rajendra Thavanappa Kadura  
81.00 %

Kruthika E  
80.10 %

#### 3<sup>rd</sup> Semester

Vinay Kumar N  
74.10 %

Harshitha Tumati K V  
70.78.00 %

Anusha K  
70.45 %

### Placement Details & Alumni Corner

27 graduates of 2021 are placed across IT and Construction sectors. Some of the Key Placements are

1. Mohammed Ghouse & Amal - Samvidh Buildtech Pvt. Ltd., Bangalore
2. Umesh Nadiger - Naganur Constructions
3. Santhosh Shivappa - Karnataka State Fire & Emergency Services
4. Naveen V - HR Associate, Amazon
5. Sanjana R S - Analyst, Capgemini
6. Thanushree L C - System Engineer, Infosys

8 graduates of 2021 are Pursuing Higher Education in different specializations

1. Chandana C. S. - M.Tech. in Structural Engineering, BIT, Davanagere
2. Swaroop T. M. - M.Tech. in Structural Engineering, NIE, Mysore
3. Ramya L. - M.Tech. in Structural Engineering, VTU-PG Centre, Mysore
4. Priyanka C. S. - M.Tech. in Structural Engineering, SJMIT, Chitradurga
5. Amshi H. S. - M.Tech. in Structural Engineering, MSRIT, Bangalore
6. Nagabhushana G. S. - M.Tech. in Structural Engineering, GAT, Bangalore
7. Mangala Gowri D. P. - M.Tech. in Environmental Engineering, UBDT, Davanagere

#### Alumni Corner

I really enjoyed the college experience . This college is what everyone expects to be. The pleasant environment which attracts the students to be in college every day. I feel blessed to be a student of such wonderful lecturers. I would like to thank all the lecturers who helped us to be who we are today. As an alumni I feel proud to say that I'm a product of PESITM. So soak up all the memories before life hits you with adulthood.

Anusha P G - Class of 2020 - Testing Engineer - Bureau Veritas (India) Pvt Ltd, Bagalore

#### Alumni Corner

This college lives up to everything it offers. The college has a well advanced infrastructure with computer lab, a well stocked library and sports facilities it also has a well managed, clean, sanitary, spacious canteen. The individual attention and care by the faculties in PESITM to each student is highly commendable. Not only that, PESITM has provided me with a number of opportunities to grow and explore my skills (both curricular and non curricular)

Palguni - Class of 2020 - Pusuing MBA at Christ University, Bagalore

### Vision & Mission of the Institution

#### Vision

To be the most preferred institution for engineering & management education, research and entrepreneurship by creating professionally superior and ethically strong global manpower.

#### Mission

To prepare students for professional accomplishments and responsible global citizenship while fostering continuous learning and to provide state-of-the-art education through the committed and highly skilled faculty by partnering and collaborating with industry and R&D institutes.

### Vision & Mission of the Department

#### Vision

To be the Centre of Excellence in the field of Civil Engineering for innovative practices, managerial skills and ethical values for sustainable Development

#### Mission

- To impart academic growth by offering technical knowledge and industry-oriented interactions.
- To encourage innovative and creative practices through continuous learning
- To develop ideologies of teamwork, leadership qualities and effective communication through constant encouragement.
- To inculcate ethical values to serve society and country for the sustainable development.

### Program Educational Objectives

- Function effectively as Civil Engineering Professionals in the field of Construction, Infrastructure Development and Architecture
- Develop managerial and entrepreneurship skills for serving locally, nationally as well as globally
- Ethically relate Engineering issues to broader social and human context to achieve sustainable solutions
