

**VID'YOUTH
LIGHTENS THE WORLD...**

Department Vision

To emerge as a leading centre for education in Electrical and Electronics Engineering and to produce entrepreneurs and globally competent engineers with good ethical values.

Department Mission

- M1- Develop as a center of excellence for Electrical and Electronics Engineering education, emphasizing in making students to be more innovative in their approach by providing state-of-the-art infrastructure and effective teaching learning process.
- M2- Contribute to the development of nation by applying their knowledge gained in the thrust areas of power and energy systems.
- M3- To inculcate value based socially and ethically committed professionals who are able to evolve thoughtfully in response to the needs of the industry, society and the changing world.

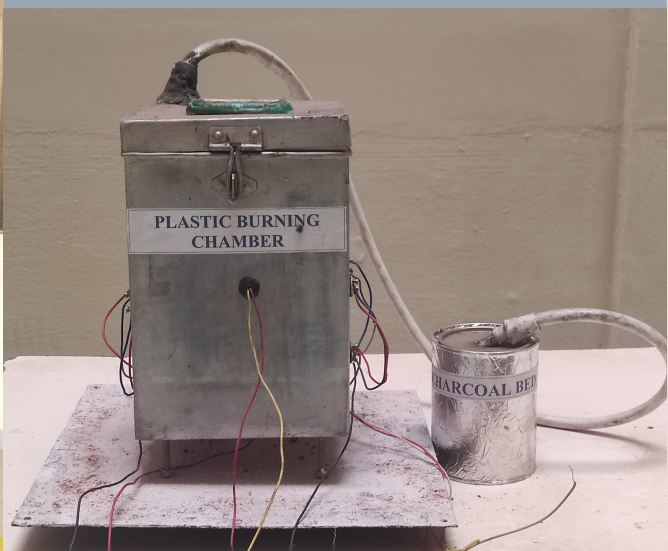

Mr.Rudresh SJ was Honored for his Ph.D Degree Award. Research Area- Power System

IETE Student Forum Inauguration on 18-01-2022

Best Project of the Year - KSCST

The Project Titled "Generation of Electricity using Plastic Waste " in the Stream of Electrical and Electronics Engineering under Research Supervision Mr.Kiran MR is adjudged as "Best Project of the Year .This Program is Supported by Department of Science of Technology , Government of Karnataka , and Dept of Science & Technology, Government of India.

Activities Conducted / Attended

Department of Electrical and Electronics Engineering in association with NSS unit, conducted one day workshop on Fire Safety and Precautions on 08-10-2021. Mr. Praveen and team from Karnataka Fire and Emergency Services, Shimoga was the resource person for this event.

Department of Electrical and Electronics Engineering conducted an online webinar on "Electrical Safety" on 14-08-2021, from 10.30 am – 12.00 pm, for 2nd PU students via online i.e., Google meet platform.

Department of Electrical and Electronics Engineering conducted a 3-Days Student Development Program on "Guidelines for student project" from 15-12-2021 to 18-12-2021.

All the faculty members have attended STTP / LTTP / FDP / Workshop / Webinar's, in the relevant areas, conducted in and out of college

Department of Electrical and Electronics Engineering conducted an online webinar in association with Ohm Institute, Hyderabad on "Gate Orientation and Its Opportunities on 21-01-2022.

Dr. Rudresh SJ, Attended Technical Seminar on "Energy efficiency in compressed air systems along with quality air solutions" at Royal Orchid, Shivamogga on 19-03-2022.

Parents Teachers Meeting was Conducted on 11-12-2022.

Mr.Neeraj P Bhonsle,7th Sem
Completed Online Courses

Mr. Girish MV, 5th Sem
Attended Webinar/Workshop in WOMANSERA'21 - An International Symposium organized by IEEE Women In Engineering Affinity Group of St.Joseph's College of Engineering Student Branch Chapter

Achievements

MOU is Signed with "Sparkle Skills Enhancement for Engineering and Automation professionals" on 20-09-2021

No. of student project Applied under Student Project Program - 06
No. of Faculty project Applied under Faculty Project Program -01

Dr.Om Prakash Yadav, Published a book chapter entitled "Role of AI and AI-Derived Techniques in Brain and Behaviour Computing" in the book "Introduction About Intelligent Systems and Multimedia Systems for Healthcare" in Springer. Chapter number:2, page 35-55

Dr.Rudresh SJ, presented the research paper entitled "Improvement of Transient Stability by Teaching-Learning Based Optimization Tuned AVR Associated PSS System" in the 2021 Fourth IEEE International Conference on Electrical, Computer and Communication Technologies (ICECCT 2021) held at Velalar College of Engineering & Technology, Erode, Tamil Nadu, India during 15 - 17, September 2021. ICECCT 2021 has been organized jointly by the Department of Electronics and Communication Engineering and Biomedical Engineering.
