CAREER DEVELOPMENT CENTRE

CDC PES TRUST

PLACEMENT MILESTONES

TCS NQT 2025 ON-CAMPUS RECRUITMENT DRIVE AT PES SHIVAMOGGA

The Career Development Centre successfully hosted the Tata Consultancy Services (TCS) recruitment team in the month of May for the TCS NQT 2025 on-campus interview process at PES Institute of Technology and Management, Shivamogga. The recruitment drive witnessed active participation from shortlisted final-year students and included both technical and HR interview rounds conducted by the TCS team.

GRANT THORNTON INDUS POOL CAMPUS DRIVE

CDC at PES Institute of Technology and Management, Shivamogga, was delighted to host Grant Thornton INDUS for a Pool Campus Drive during December, offering an excellent opportunity for MBA and M.Com students.

Where Opportunity Meets Talent

Students from the Department of Electrical & Electronics Engineering took their first professional step as Graduate Engineer Trainees in the month of September with Enventure Engineering, securing good offers.

With Enventure operating from within the PES campus, this milestone reflects how industry and academia come together to create meaningful career pathways.

Engineering Excellence Recognised

BUHLER & SCHERLER Students from EEE department secured placements with Bühler and Scherler, marking a significant milestone in their academic journey.

CDC facilitated a placement drive by Toyota Financial Services Private Limited, resulting in the selection of students from the department of MBA.

PES Shivamogga hosted a Job Fair in collaboration with Anvesana, the startup incubation hub operating from within the campus, creating direct industry exposure for students.

**Top Companies.
Bright Futures.**

Campus to Corporate. Seamlessly.

PES Shivamogga successfully hosted a Pool Campus Drive with Idea Infinity in the month of September.

Cognizant conducted a campus recruitment drive, during which students from the Departments of Computer Science, Information Science, and AI & ML were successfully placed.

Opening Doors to Future Careers

 **Idea Infinity** In September, students from the Department of BCA – PES Institute of Advanced Management Studies were successfully placed at Idea Infinity for the post of Associate Software Engineer – Android.

 In the month of March, we were happy to host the Infosys Pool Campus Recruitment Drive on our campus, welcoming BCA and B.Sc students from across Karnataka to explore exciting career opportunities.

 **HCL TECHNOLOGIES** Three students from the BCA program were successfully selected by HCL, marking another positive outcome of the institute’s ongoing placement efforts.

Wipro visited the campus to recruit BCA students, offering them opportunities to begin their professional journey with a leading global IT organization. This initiative reflects the CDC’s continued commitment to creating strong industry linkages and career pathways for students.

In September, K12 visited the campus for recruitment and interaction with students of the M.Com department.

Kimmane
LUXURY GOLF RESORT
SHIVAMOGGA

Kimmane Luxury Golf Resort Recruitment Drive – PESIAMS

We were pleased to host Kimmane Luxury Golf Resort, Shivamogga, during the month of September to our campus for their recruitment drive, exclusively for students of PES Institute of Advanced Management Studies.

Pathways to Promising Careers

 **TATA CONSULTANCY SERVICES**

During the TCS **Ignite** drive, students from the Department of BCA, & the Department of B.Sc. were recruited and during the TCS **BPS** drive, students from the Department of B.Com., and the Department of BBA were recruited.

This reflects the institute’s strong industry alignment and focused placement efforts.

**Industry Leaders.
Professional Futures.**

In the month of November,  visited the campus for a recruitment drive, during which students from the Departments of EEE, ECE, and Civil Engineering were successfully selected. This drive reflects the Placement Department's continued commitment to building strong industry connections and enhancing student employability.

In the month of November,  visited the campus for a recruitment drive, offering students valuable opportunities to begin their careers in the automotive industry. Students from the Departments of EEE, ECE, ME were placed in the drive.

Toyota Kirloskar Motor conducted a campus recruitment drive, during which students from the Departments of Electrical & Electronics Engineering and Mechanical Engineering were successfully selected.

In the month of November, Ace Multi Axes Systems conducted a campus recruitment drive for students from the Department of Mechanical Engineering, resulting in successful recruitments and strong industry engagement.

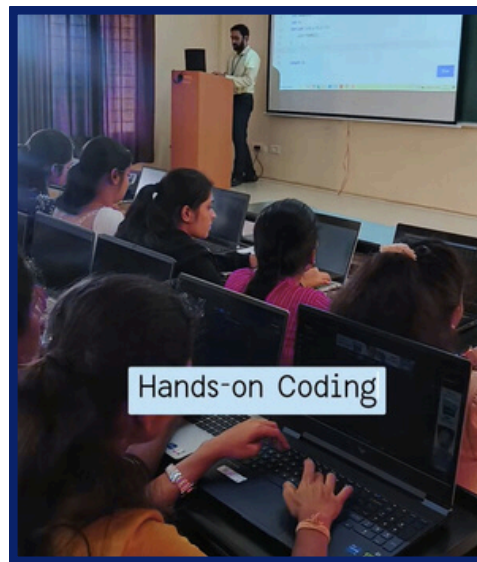

The campus hosted ACE Designers in November for a recruitment drive for students of the Departments of Electrical & Electronics Engineering and Mechanical Engineering, facilitating promising career opportunities.

Industry Collaboration & Support That Builds Careers Early

As part of the collaboration with EdgeVerve Systems (Infosys), 15 students across various departments were recruited. A key highlight was EdgeVerve's initiative to recruit fifth semester students, provide specialised training, and onboard them post-graduation, strengthening industry-ready skill development.

As part of support that helps to build careers early, aptitude and technical training sessions were conducted by Bizotic to enhance students' employability and industry readiness. The structured training equipped students with strong analytical, problem-solving, and technical skills, laying a solid foundation for early career success.

Launch of Infosys's Center of Excellence

PESITM, Shivamogga, launched the Infosys Center of Excellence for Youth Empowerment under its CSR initiative, in collaboration with ICT Academy, which aims to deliver valuable learning experiences and skill development for students. As the first step, a 120-hour offline Robotic Process Automation training for final-year students has been introduced, empowering them for future success.

Training in action: Empowering learners through continuous training and development initiatives.

Structured training programs were conducted in collaboration with our industry training partners to enhance students' technical knowledge, aptitude skills, and verbal communication abilities. These sessions focused on strengthening core concepts, improving problem-solving and logical reasoning, and developing effective communication skills essential for professional success. The industry-aligned training approach ensured holistic development, preparing students to confidently meet evolving workplace expectations.

Committed to Excellence: Training Hours Snapshot

Training Hours Breakdown – 2025

-  Technical 60 hrs
-  Aptitude 60 hrs
-  Soft Skills 30 hrs
-  Company Specific 30 hrs

PESIAMS

-  Aptitude 30 hrs
-  Soft Skills 30 hrs

PESPT

-  Aptitude 30 hrs
-  Soft Skills 30 hrs

Empowering Growth with Our Training Partners

Value-Based Leadership & Life Skills Sessions

A thought-provoking session on “Managerial Essence from the Bhagavad Gita for Future Professionals” was conducted in November for BE, MBA, and MCA students. The session was organised by Shri Swarnavalli Mahasamsthana, Sirsi, in the august presence of Shree Shrimad Gangadhendra Saraswati Swamiji.

The Career Development Centre, organised an inspiring session on “Mastering the Mind and Academic Excellence” in the month of October for first-year students of PESITM. The session, led by Shree Swami Vinayananda Saraswathi and Mr. Ramesh Umarani, blended spiritual wisdom with practical guidance on mindset, values, and goal setting, motivating students towards holistic excellence.

Global Higher Education & Internship Fair

11 DEC 2025 | 10:00 am
03:00 pm

FREE ENTRY

CDC successfully hosted the Global Higher Education & Internship Fair 2025 in association with WiZdom Ed. in December. The event enabled pre-final and final-year students to interact with reputed global universities and organisations, exploring diverse opportunities for higher studies, internships, and careers abroad.

The CDC and Department of Civil Engineering, PESITM, in collaboration with WiZdom Ed., organised an insightful session on “Mind Mapping & Personality to Build a Powerful Career” in the month of August for final-year B.E. students.

Led by Dr. Guru Tej and Dr. Francisca Rebello Tej, the interactive session combined psychometric tools, personality exploration, and global education guidance, empowering students with career clarity and confidence.

GATE 2025

A GATE-JAM Outreach Session was organised in September in collaboration with the **Indian Institute of Science (IISc)**, Bengaluru, focusing on higher studies, research, and career pathways. The interactive session by IISc ambassadors Ms. Ruchi Mittal and Mr. Harinath S inspired students to pursue focused preparation towards academic excellence.

Counselling Cell Connect

390+ students benefitted | 60+ hours of sessions | 50+ faculty empowered

Well-being supports learning.

A Heartfulness Meditation program was organised under the Jagruti series in the month of October for female students of PES Hostels, led by Dr. Vidya and her team from Sri Ram Chandra Mission, Shivamogga. The program aimed to foster inner peace, clarity, improved focus, and emotional balance among the participants. The second day featured a Heartfulness Cleaning session conducted by Dr. Vidya and her team, focusing on effective stress management, helping students manage stress and achieve inner calm.

The Department of Computer Design, in collaboration with the Counselling Cell, organised a session titled “Mind Over Matter: Inner Transformation for Success” in October for 3rd and 5th semester students from the CSD department. The session featured Ms. Sravya Moulika on manifestation and meditation, followed by Dr. Uma Giriswamy on the mind-body connection and healing through meditation.

A session titled “Holistic Health: Uniting Mind and Body” under the Jagruti Series was conducted in the month of November for female students of PES Hostels, focusing on self-care and holistic well-being. The session, facilitated by Ms. Abhilasha Y, Psychologist, included self-care dimensions, MBTI-based self-awareness, and a practical Stress Bucket activity to promote healthy coping strategies.

On the occasion of National Stress Awareness Day, a session titled “Stress to Strength: The Educator’s Guide to Emotional Resilience” was conducted in November for the teaching faculty of PES Institutions, Shivamogga, focusing on healthy coping strategies, timely support, and positive stress management for improved focus and performance.

Communication Competency Development Studio

Confidence through communication.

The CCDS at PES, coordinated by Ms. Himarashmi S. Naik, Asst. Professor & Verbal Trainer, CDC, and Mrs. Pratiksha Shenoy, Asst. Professor & Soft Skills Trainer, CDC, aims to equip students with essential communication skills.

As part of this initiative, *Campus Katta* was conducted in August as an informal speaking platform. Students from across branches voluntarily participated and spoke spontaneously on campus-themed topics. The activity encouraged humour, quick thinking, and confident English communication.

In September, an Extempore Session was conducted to develop clarity of thought and expression. Students participated voluntarily in a supportive, informal setting. The session enhanced articulation and confidence in public speaking.

Additionally, activities such as JAM, Skit, Mime, Group Discussion, and Mock Interviews were conducted fostering teamwork and self-expression. These activities created a vibrant learning environment that strengthened communication and interpersonal skills.
