

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING NEWSLETTER

VID'YOUTH LIGHTENS THE
WORLD...

YEAR 2025-26,
VOLUME-8, ISSUE-1

TOP NEWS

A remarkable milestone was achieved with 100% internship-cum-placement secured for 7th semester students.

A Lively Celebration Rich in Culture and Traditions – Karnataka Vaibhava Ethnic Day on 15th November, 2025

Department Vision

To emerge as a leading center for education in Electrical and Electronics Engineering and to produce entrepreneurs and globally competent engineers with good ethical values.

Department Mission

M1: By developing as a centre of excellence for Electrical & Electronics Engineering education, with an emphasis on making students more innovative in their approach by providing state-of-the-art infrastructure and effective teaching-learning process.

M2: By contributing to the development of the nation with the knowledge gained in the thrust areas of power and energy systems.

M3: To inculcate value based socially and ethically committed professionals who are able to evolve thoughtfully in response to the needs of the industry, society and the changing world.

Gallery showcase

The Pookalam event took place in the department on 20th September , 2025.

Ethnic Day was celebrated in the department on 15th November , 2025.

The "Har Ghar Tiranga" campaign took place in the department on 14th August , 2025.

Constitution Day was celebrated in the department on 26th November , 2025.

Sadbhavna Divas was commemorated in the department on 19th September , 2025.

The Department organised an invited talk on “Essential Industry Skills for Future Engineers” on 26th September 2025, in association with Sparkle Skills, Mysuru, at the EEE Department Seminar Hall. Sri. Chidananda M. S., Director of Sparkle Skills, delivered the session, highlighting industry expectations and the importance of technical knowledge and essential soft skills. The interactive talk guided students on career readiness, employability, and bridging the gap between academic learning and real-world industry demands.

Alumni Engagement: Exchange of Experiences and Insights

Mr. Renukprasad, a 2020 passed-out batch alumnus, interacted with our 3rd and 7th semester students on 9th October, 2025 and delivered a session on entrepreneurship.

Ms. Anusha and Ms. Sushma, alumni from the 2022 passed-out batch, interacted with 3rd semester students on 8th December, 2025, and spoke about corporate life and workplace culture.

Ms. Divya, a 2018 passed-out batch alumna, interacted with 3rd semester students on 12th December, 2025, and delivered a talk on the MATLAB tool for automation.

Sem : 8
9.55 SGPA

Engaging with the External Environment

Our students Mr.Ajay Kumar S, Mr.Gowtham M, Mr.Tejas V, and Mr.Vignesh P represented our institution at INNOVEX-25, where they gained hands-on exposure to innovation, project presentations, and industry-focused learning on 22nd November, 2025.

Four batches of final-year engineering students presented their projects at a National Conference hosted by GM University (GMU), Davangere, on 21st August, 2025.

Mr.Gowtham M and Mr.Fardin Afzal participated in the National Conference on "AI in Medical Imaging: From Pixels to Prognosis", held at Channabasaveshwara Institute of Technology, Gubbi on 6th to 8th November 2025.

Mr.Shashikant B G from 3rd semester participated in the VTU state-level cross-country running competition held in Chitradurga on 17th October, 2025.

- Charitra S U successfully completed the NPTEL Online Certification course on Introduction to Internet of Things from Indian Institute of Technology Kharagpur. Consolidated score: 75%.Duration: 12 weeks (Jul-Oct 2025).
- Bhoomika Yadav V successfully completed the NPTEL Online Certification course on Microsensors and Nanosensors from IIT Guwahati. Consolidated score: 69% Duration: 12 weeks (Jul-Oct 2025).
- Harshitha B N successfully completed the NPTEL Online Certification course on Developing Soft Skills and Personality. Consolidated score: 75% Duration: 8 weeks (Jul-Oct 2025).
- Dhanushree T M successfully completed the NPTEL Online Certification course on Python for Data Science. Consolidated score: 56% Duration: 12 weeks (Jul-Aug 2025).
- Prathibha S successfully completed the NPTEL Online Certification course on Python for Data Science. Consolidated score: 54% Duration: 12 weeks (Jul-Aug 2025).
- Bhoomika S successfully completed the NPTEL Online Certification Course on Microsensors and Nanosensors. Consolidated score: 60% Duration: 12 weeks (Jul-Oct 2025).

Students placed in Buhler and Schreler received their offer letters on 12th November , 2025.

On 6th October, 2025, the 7th semester students visited the Varahi Underground Power House in Hosangadi.

The Fifth-semester students embarked on an industrial visit to the IISc campus in Challakere on 15th October 2025.

The First-semester students visited Ayanaur on 8th December, 2025, as part of the industrial tour to MUSS (110 / 11 KV).

For the Student Induction Program (SIP) a Department Visit was included for First Semester Students on on 8th September, 2025.

The Yuvajanstava Vignana event was inaugurated on 16th October 2025.

The Seventh-semester students took part in the District-level Yuvajanstava Vignana event held at our institute on 16th October, 2025.

Ayudha Pooja, a Day of Gratitude for the Tools That Empower Our Work and Progress was celebrated on 30th October 2025.

Ms. Bhumika and Ms. Raksha Sirin from the 7th semester, along with Nisba Kousar and Nafisa Muskan from the 5th semester, took part in the Umbrella Painting event organized by the institution on 3rd September 2025.

The future belongs to those
who innovate with energy

Project Exhibition 2025:

Celebrating Student Innovation and Learning

A project exhibition was held for students in fifth semester on 13th October 2025. The event was judged by Mr. Chethan B. R. and Dr. Mahantesh P. Mattada from the ECE Department.

A project exhibition for seventh semester students took place on 3rd December 2025.

A 5-day Bizotic training program on technical Final-year students attended an online placement test skill development was conducted for 5th conducted by Oceanlink Sea Service on 25th semester students from 19th to 23rd August, September 2025.

Shaping successful students
through academics and campus
engagement

The Second semester top achievers were awarded gift coupons by the institution in recognition of their outstanding academic performance during the June-July 2025 examinations.

Inchara G K-3rd sem

A Parent-Teacher Meeting for students in the 5th and 7th semesters took place in the department on 11th October 2025. Additionally, meetings for the 3rd semester were conducted on 29th November, 2025, and for the 1st semester on 22nd November 2025.

Jahanvi N K
-5th sem

Empowering students through academics and campus engagement.

Social Engagement Responsibilities

On 15th August 2025, fifth-semester students visited a government school to distribute essential educational supplies, such as books, pens, pencils, and erasers, to those in need in celebration of Independence Day.

On 25th December, 2025, third semester students visited Kudli and Nagara Fort as part of a Heritage Walk, with the purpose of completing the course activity and gaining awareness about historical and cultural heritage.

We invite everyone to send their articles for a future newsletter edition that fits into the following category:

Informative, awareness-creating, trending, short or descriptive technical articles /non-technical articles. Paintings, Pencil sketches, doodles, poems, jokes, photography etc. Articles are accepted both in Kannada and English languages.
