

DEPARTMENT OF INFORMATION SCIENCE & ENGINEERING NEWSLETTER

Volume 9, Issue 2, 2026

MAHITHI

The Department of Information Science and Engineering was established in 2007. It is headed by Dr. Mouneshachari S supported by a highly qualified and dedicated staff. The department aims to cultivate the thirst for knowledge, and the vision to look beyond the evident in students. The students are well versed with the exhaustive and thoroughly chosen curriculum, guided as they are by an experienced faculty. Realising well in time that the information technology wave has become a phenomenon in itself over the past few years, the institute established a separate department to cater the ever – growing demand for professionals in this challenging field. Besides this, Hands – on training sessions in various fields of application of IT have imparted to the students considerable acumen in the vast sector. The students perform project work as part of their curriculum to enhance their specification skills, leading to the multifaceted development of their engineering concepts.

Department Vision

To create technically competent, ethically strong and skilled IT Professionals.

Department Mission

M1: Enhancing the knowledge through ongoing research and professional development programs by incorporating effective teaching and learning methods.

M2: To prepare students to be successful in their professional career and continuous learners by offering a strong technical foundation with professional and Ethical responsibilities.

Full Stack Development Project Exhibition

The Department of ISE organised a project exhibition on “full stack development” on 28th April 2026. All the students of VI semester presented their ideas at first level and then the idea was developed as a prototype imbibing the concept of complete application development. Events evidenced rich ideas delivered as prototypes demonstrating the objectives of their ideas. Principal Dr. Swamy D R inaugurated the event and all the staff members and HOD were present in the event. The event was coordinated by Mr. Ramesh D, Assistant Professor.

Expert Talk on “Industrial AI

The Department of ISE organised an expert talk on “Industrial AI: The Road Map from POC to Product” on 14th March 2026. With the resource person Dr. Sandeep Kumar E, AI Enablement Lead, Global Foundries Pvt.Ltd. The event was coordinated by Mr. Vinay S K, Assistant Professor, ISE. All the students of IV and VI semester attended the expert talk. The session explained how AI solutions progress from a Proof of Concept (POC) to industry - ready products. It highlighted the importance of data quality, MLOps, scalability, and deployment in real - world AI applications.

Building Skills

Students of VI semester attended a one day workshop on “Automation using :n8n , Building an industry ready CRMAI agent “ . The event was organised by the department of Artificial Intelligence & Machine learning on 6th February 2026.

Alumni Talk

The Department of ISE organised a technical talk on “Preparedness of Students for the Industry.” on 16th March 2026. The session was delivered by Ms. Bhavya D, an alumna of the ISE Department (Batch 2019) as a Programmer Analyst at Fortrea, Bangalore. The event was conducted for 4th semester students, providing them with early exposure to industry requirements and helping them align their academic journey accordingly.

PLACED AT EDGEVERVE AN INFOSYS COMPANY

Innovation & design thinking

PESITM in association with the Institutions Innovation Council and the Department of Information Science and Engineering organised an event on “Innovation & design thinking” for VI semester students. The objective of a Business Plan Poster Presentation is to clearly present a business idea, its goals, target customers, marketing strategy, and financial plan. The presentation helped to explain the business concept effectively, attract potential investors or customers, and improve communication and presentation skills. All the students participated in the event and exhibited their ideas. The event was coordinated by Mr. Ramesh D.

Technical Talk

Dr. Mouneshachari S, HoD, ISE Dept., shared an expert talk on “Generative AI and Prompt engineering” as a part of FDP organised by P C Jabin Science college, Hubballi.

Talent show

- Dr. Mouneshachari S published a paper in journal titled “Feature Extraction Techniques of EEG Signal: A Review “ an International Journal of Computer Science and Technology, Springer (Accepted – Scopus – Q3) 10009000 Feb 2026
- Mrs.VANI G S,Mrs.Damini T K ,Mrs .Nidhi R,Mrs. Vidya attended FDP on “ Agentic – AI essentials from 23-07-2026 to 27-07-2026.
- Mrs.VANI G S,Mrs.Damini T K attended FDP on “ Prompt Engineering” from 29-07-2026 to 04-07-2026
- Mr. Vinay S K attended FDP on “Gen AI and Agentic AI tools” from 16.02.2026 to 21.02.2026 organised by SNVIT, Gujarat.
- Mr. Ramesh D Published a paper titled “ applications of web development and design” ,HBRP,VOL 9,2026.
- Ms.Vibha ,Ms. Trupthi, Mr.Bharath, Mr. Mayur of VI semester secured II place in Hackathon ASTRIX-2026 organised by PESITM,CS(DS) department from 2.05.2025 to 3.05.2026 .
- Mr. Yoganand, Mr.Faizal, Mr. Naman P of VI semester participated in Design and innovation clinic 2026 organised by CMRIT, Bangalore from 16-04.2026 to 18.04.2026 .
- Mr.Bharath, Mr. Mayur, Mr. Harsha U P of VI semester participated in HACK for HIRE Hackathon by Anvesana from 13-03-2026 to 14-03-2026 .
- Mr. Hemanth M V of VI semester participated in National Hackathon EP-OCH-2026, organised by VIT, Bengaluru from 1.05.2026 to 2.05.2026

Invite for News Articles

We are pleased to invite everyone to send their articles for future editions of “MAHITHI”. That fits into the following category.

- Informative ,awareness creating, trending, short or descriptive Technical articles /non-technical articles .
- Paintings, pencil sketches, doodles, poems, jokes, photography etc....
- Articles are accepted both in Kannada and English languages.
