About Us

PES KIDS ACADEMY

Early Childhood Care and Education [ECCE]

PESKA curriculum is designed in providing a holistic approach and enriching the learning experience by nurturing each child's unique potential and preparing them for future success.

Dear Parents

A newsletter in the PES Kids Academy for our Pre-KG, LKG, and UKG keeps the parents informed about key events, achievements, and activities. It fosters a community by celebrating accomplishments, and highlighting important updates. Additionally, it serves as a valuable tool for communication and engagement, ensuring everyone is aligned with the Kids Academy goals and activities.

Celebrations and Events

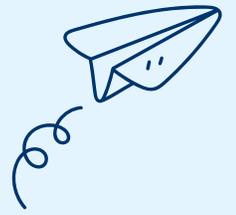

The PES Kids Academy celebrates achievements, traditions, and cultural diversity, helping to create a positive environment for learning. The events are primarily focused on encouraging and developing kids skills and providing opportunities for children to bond outside of academics.

Activities

Literacy Skills

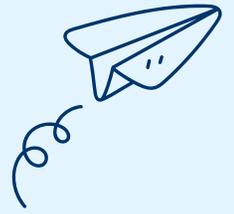

Language

Our Children develop their language skills through listening, speaking, phonics, early reading, and writing, using interactive storytelling, songs, role-playing, and hands-on literacy activities.

Activities

Numeracy Skills

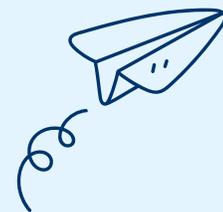

Maths

Children start building foundational math skills, including number recognition, counting, patterns, basic operations, problem-solving, through interactive games, hands-on activities, and real-life applications.

Activities

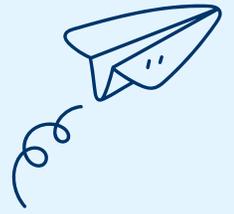

Life Skills

Children develop general knowledge skills by exploring their surroundings, learning about nature, community helpers, basic science, and daily life concepts through storytelling, hands-on activities, and interactive discussions.

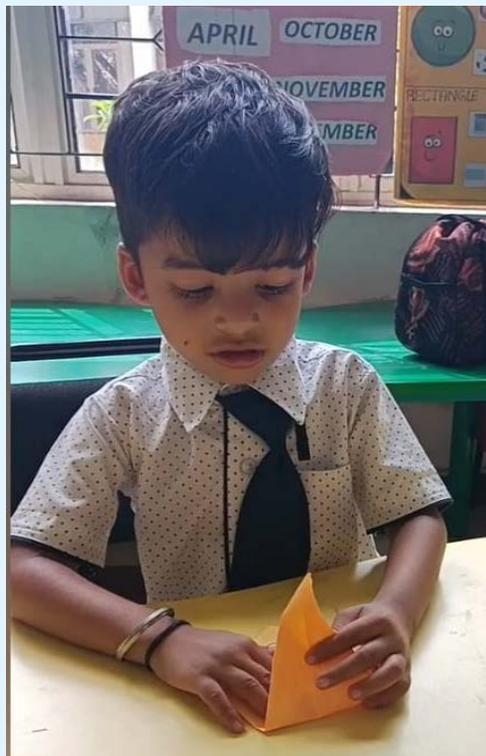

Activities

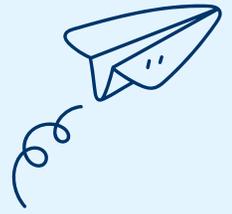

Art & Craft Activities

Art for kids fosters creativity, improves motor skills, aids emotional expression, supports cognitive development, and promotes social skills, building confidence and introducing cultural awareness.

Activities

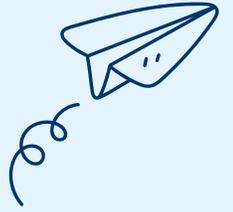

Sensory Activities

Our children engage in sensory activities that stimulate touch, sight, sound, taste, and smell, enhancing their cognitive, motor, and language development through hands-on exploration, play-based learning, and creative experiences.

Activities

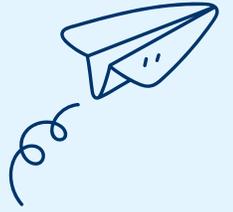

Fine Motor Skills

Children develop fine motor skills through coloring, cutting, threading, tracing, and clay modeling, improving hand-eye coordination, grip strength, and precision for writing readiness.

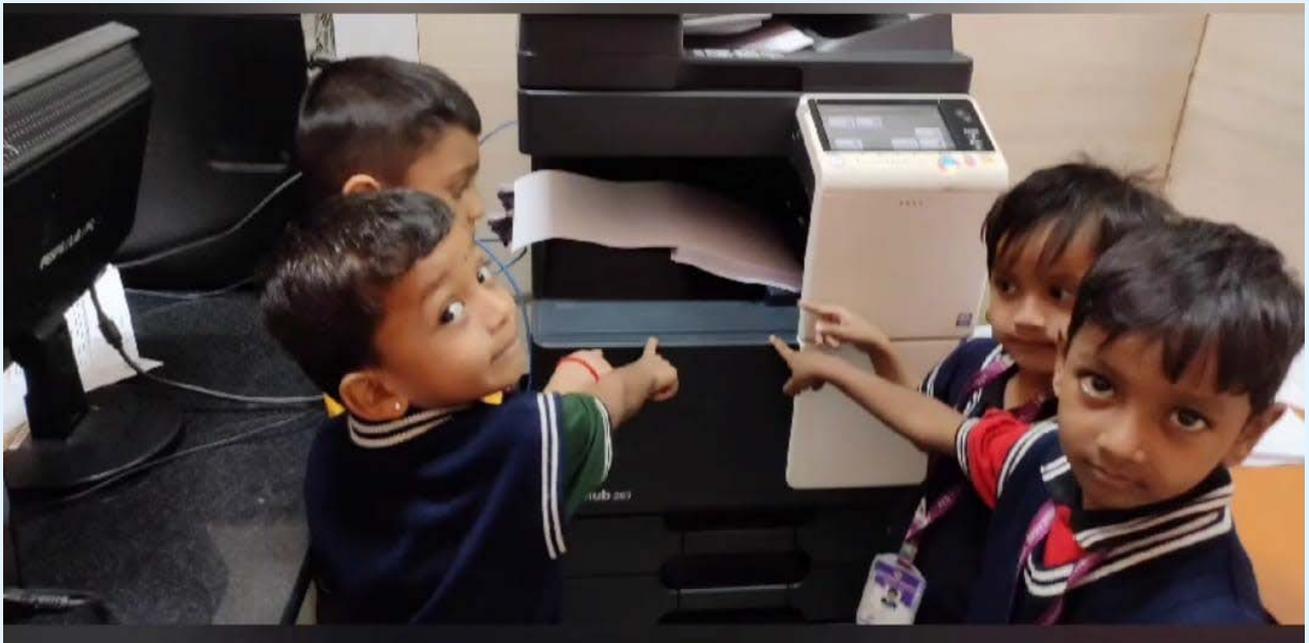

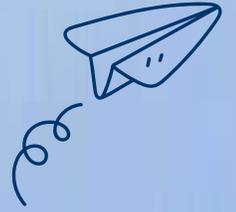

Activities

Exploring Technology

Our children visited the computer lab as they got hands-on exposure to basic computer concepts and were introduced to robots.

PES Kids Academy

We are proud of the progress and enthusiasm our little learners have shown us. Thank you for your continued support in making their learning journey enriching and joyful.
