# About Us

PES Public School, located amidst a calm and serene atmosphere with greenery around the campus, offers you with quality education. The school is an innovative creation of PES Trust that focuses on achieving its mission and vision. The school has adopted the CBSE curriculum envisaged by the NCF to provide quality education to students with scientific temperament and traditional values. The main aim of the institution is to bring out some of the hidden talents of the students so that they are assets to the nation. The school provides various platforms to the students to establish their creative skills. We are happy about the enormous progress made by the school in a short period and are aware of our responsibility to take the PES Public School to a higher level of achievement.
