# About Us

Pre-University Education is a crucial and decisive phase in every student's life. PU education is a window which opens to the world of opportunities. PES PUC is an ambitious endeavor of Prerana Educational & Social Trust(R), Shivamogga to cater for the needs of the Pre-university students and provide them access to the best available facilities in the Malnad region. The college offers Science and Commerce combinations. Apart from the regular curriculum prescribed by the Dept. of Pre-university Education, the college focuses on competitive exams and career-oriented training. College gives exposure to Tally, CA Foundation Course and Basic Computer to the Commerce students to ease their professional prospects.

The college is equipped with excellent infrastructure. It has a state-of-the-art building, spacious Classrooms, a resourceful library, updated Science laboratories and also a language lab. It has an air-conditioned auditorium with 3000 seating capacity, specialized playgrounds, hostels and an excellent transportation facility.

PES PUC provides the platform with the right ambience and dedicated teachers to enhance one's skills and abilities. PES PUC is training the students for future shaping competitive exams like NEET/JEE KCET/COMEDK. The college provides exposure to KVPY, NISER, and IISER etc. Blended Education (Online and Offline) system is a novel concept developed by PES PUC. Besides this, regular online classes are being conducted effectively. Online tests/Examinations are conducted for the students and assessed through Google Classroom and WhatsApp.

The college offers free education for meritorious students. We also have experienced faculties from Bangalore and Shivamogga have conducted the bridge course through Google Meet. All the online programs are available on social media. The regular faculty members, expert resource persons are invited from different parts of the state to guide our students for both PUE board and competitive exams.

## Message from Principal

Dear Student,

Warm Greetings from PES PUC! Welcome to the Year of PU Course and NEET/ JEE/KCET program. I am sure this program which has been designed under the guidance of BASE, Bangalore with a great deal of thought and research, will help you to reach your objective.

The next two years of your learning are critical and your approach to studies has to undergo a major change. Not only will you need to be more analytical, but you will also need to explore the depth and breadth of the subjects to a greater extent.

NEET/ IIT-JEE/KCET are fiercely competitive exams. Although Seats are few and the aspirants are many. Success in NEET/JEE (Main and Advanced)/KCET requires a determined and sustained effort for 2 years.

“Learning is not an uninteresting chore but an exciting adventure”. This is the attitude to have, in training yourself for NEET/ IIT JEE/KCET. The academic plan at PES PUC will help you achieve your goal.

At the end of the course, you will emerge with confidence which is only natural to the real masters of the subject, capable of sizing up and solving problems within minimum time without straining. It is not just the destination that is exciting. It is a journey as well. It is therefore very important that you enjoy every single minute of the work that you do. PES PUC offers all the academic and emotional support during your TWO-year journey.

Wishing you the very best!

Thank you

**Prof. A NAGARAJ BABU**
